Description Ticino stands for Mediterranean lifestyle. The mild climate, the beauty of the lakes and the surroundings stand for best quality of life. This ca. 400 m2 luxury villa with about 2800 m2 of plot is located on a slope just outside the city of Minusio Locarno. Privileged location with absolute privacy, you can enjoy a breathtaking view of Lake Maggiore and the surrounding mountains. The plot is divided into two parcels. On one, surrounded by a beautiful park with a fantastic view of the lake is located the U-shaped Mediterranean-style villa with outdoor pool. On the other parcel, currently a large lawn with garden, you have the possibility to create an additional building of approximately 500 m2.
